

DFW Great 100 nurses

NURSING ANNUAL REPORT 2016

Ann Louise Smith, Ph.D., CPNP, CNE, RN
Nurse Residency Program Manager

Each year, the DFW Great 100 recognizes one hundred RNs who are nominated by their peers and selected for being role models, leaders, community servants, compassionate caregivers and significant contributors to the nursing profession. This year we are proud to announce that four Cook Children's nurses were chosen out of the more than 40,000 nurses practicing in the DFW area for their contributions to patient care, research, leadership, education and community service.
