

# Cook Children's Great 10 Awards

NURSING ANNUAL REPORT 2016

In the spirit of the DFW Great 100 recognition, Cook Children's Department of Nursing's Rewards & Recognition Committee introduced the Cook Children's Great 10 Awards in 2004. Each spring, nursing staff throughout Cook Children's nominate those around them who are the answer to a very simple question: "Do you know a nurse that has made a difference at Cook Children's?" Recipients are selected in May and recognized as being shining examples of the best of the best in nursing that Cook Children's can offer children and families. At the core of each winning nurse is a caring heart and unwavering dedication to our patients. This year's recipients are:

- **Beth Gunn, Transport**
- **Julie Turner, Cardiac Intensive Care Unit**
- **Julie Van Orne, Transitional Care Unit/Rehabilitation Care Unit**
