

2020 DFW Child Life Workshop

An introductory workshop to learn how to become a child life specialist.

This workshop is open to high school seniors, college students, and adults considering a possible career change.

What is covered?

- A brief overview of the clinical work of a Certified Child Life Specialist
- Panel discussion with child life specialists
- Importance of self-care
- Academic and clinical preparation
- The journey from student to professional – what is required and what is not
- Discuss your unique needs during breakout sessions
