Professional involvement: CHA (member); PPA (member); ASHP (member, past platform presenter); TSHP (past platform presenter)

More about me: I've been married to my wife, Raven, since 2006, but she has been my best friend since 2000 – over half my life now! We have three wonderful kids: our oldest son, Eden, daughter, EmmaClaire, and youngest son, Ezra. Outside of Cook Children's, I play bass guitar for our worship band and am active in many other ways in our local church, local homeless ministries and foreign mission work. I enjoy the mental and physical challenge of long distance running and regularly complete half-marathons and have two full marathons under my shoes. I also appreciate the feeling of accomplishment from DIY projects or just maintaining our house and cars.
