**Disclosure Statement:** Every attempt is made to utilize the over 10,000 handmade items Cook Children’s receives through its Stitch-a-Wish program each year. On occasion, an item may not be functional such as a pillowcases size miscalculation, a sewing mishap, fabric not child friendly, or fabric that has been previously used, damaged, or stained. These items are given to other non-profit agencies in the area such as shelters, missions, and nursing homes. Stitchers are encouraged to visit [www.cookchildrens.org/stitch-a-wish](http://www.cookchildrens.org/stitch-a-wish) for guidelines or contact Christy Beck, Stitch-a-Wish Program Coordinator, at 682-885-4590 or [christy.beck@cookchildrens.org](mailto:christy.beck@cookchildrens.org) for questions or concerns and to ensure your items find a home with our patients.
