

# HOT CARS CAN KILL NEVER LEAVE YOUR CHILD ALONE IN THE

Since

# 2010

there  
have  
been

**41 child deaths in Texas**  
from being alone in a hot car.

## CREATE REMINDERS

Place your purse, phone or badge  
in the back seat next to your child.

the temperature in your car can rise nearly

# 19 degrees in 10 minutes

Children's body temperatures **rise 3-5x faster than adults**

**HEATSTROKE** can occur with a body  
temperature of 104 degrees. **Organs**  
**start to shut down at**  
**107 degrees.**

## LOCK YOUR CAR WHEN YOU AREN'T IN IT

This will help keep kids from  
climbing inside unattended.

**gives people immunity from a lawsuit**  
to protect a life  
or answer an  
emergency.

**TAKE ACTION IF YOU SEE A  
CHILD ALONE IN A HOT CAR.**
