

# Neurosciences family support group

Meet other families and learn more about epilepsy

## Connect with others who understand Epilepsy, while participating in therapeutic activities

**Topic:** Virtual support group for kids 7-16 yrs. old with shared experiences

**Time:** 5:30 p.m. – 6:30 p.m.

**Date:** 2<sup>nd</sup> Thursday of designated months

**Where:** Zoom, \*see details below for zoom link

**Contact:** Julie Schmidt, Neurosciences Patient Liaison: 682-885-7887

\*If you have not enrolled in our [Epilepsy Support Group](#), please contact us. We will send you a required form for completion. Once received, we will send you a zoom link a few days prior to each event so your child can participate. We hope you can join us!
