

Revised Eyewear Guidance for Patient Encounters

Revised: June 24, 2020

This new guidance ONLY APPLIES to patient care areas.

Wear this when having an encounter with a **COVID-19 positive patient** and/or during **ALL Aerosol-Generating Procedures (AGPs)**:

Item #: 626910

Must wear N95 mask anytime wearing goggles, caring for COVID-19 patients and/or during all AGPs.

Cleaning guidelines for safety glasses:

Use hospital approved disinfectant wipes.
It is not mandatory to wash with soap and water.

Wear one of these types of eye protection during **all other patient/family encounters within six feet**:

Item #: 627507

Item #: 625804

Item #: 722

Item #: 627472

All orders for eye protection **MUST** be placed through your normal ordering process for Stores via Lawson. **Please do not call Stores directly.** *Exception: CCPN should follow their normal ordering process through Henry Schein accounts.
